

NOTICE

In coordination with the City of Lighthouse Point, the City of Pompano Beach Utilities Department will be performing Phase III of the Lighthouse Point reclaimed water main expansion project adjacent to NE 27th Street along NE 26th Avenue, NE 26th Terrace, NE 27th Avenue, NE 26th Street, NE 25th Street and NE 24th Street.

The reclaimed main installation is scheduled to commence on Monday, March 2nd, 2020. Pending regulatory final approval and any unforeseen circumstances, completion is tentatively set for early May 2020. Thereafter, asphalt pavement restoration shall commence.

Additional information shall be forthcoming prior to any construction. Intermediate flagmen operation with one lane closure will impact traffic along the aforementioned streets as installation progresses.

If you should experience any construction-related problems or have any questions concerning this work, please contact:

Nathaniel Watson
City of Pompano Beach
Utilities Department at 954-786-5508
