payment for the services on an annual basis along with properties taxes and other special assessments, reduce the administrative costs of the Residential Solid Waste Collection Program to the City, and ensure that all properties that receive Residential Solid Waste Collection Services from the City through the Collection Contract pay for such so that no property is over-charged by virtue of the failure of other properties to pay for such; and,

SECTION 5. PROVISION AND FUNDING OF RESIDENTIAL SOLID WASTE COLLECTION SERVICES.

(A) Upon the imposition of the Residential Solid Waste Collection Services Assessment for Residential Solid Waste Collection Services upon Assessed Property located within the City, the City shall provide Residential Solid Waste Collection Services to such Assessed Property through the Collection Contract. (B) It is hereby ascertained, determined, and declared that each parcel of Assessed Property located within the City will be benefited by the City's provision of Residential Solid Waste Collection Services in an amount not less than the Residential Solid Waste Collection Services Assessment imposed against such parcel, computed in the manner set forth in this Initial Assessment Resolution.

RESOLUTION NO. 2016 – 2085

SECTION 7. LEGISLATIVE DETERMINATIONS OF AUTHORITY, SPECIAL BENEFIT AND FAIR APPORTIONMENT. The City Commission incorporates and adopts the legislative findings relating to the Residential Solid Waste Collection Services within the Ordinance, and makes the following additional legislative findings.

7.1 Section 403.706(1), Florida Statutes, provides that the City is responsible to collect and transport solid waste from within its boundaries to a solid waste disposal facility.

7.2 To fulfill its obligations, the City entered into a Collection Contract with Waste Management for the collection and transport of solid waste from, among others, single-family residential properties, and certain multi-family residential properties that receive Residential Solid Waste Collection services, within the City.

SPECIAL BENEFIT

7.3 The City provides Residential Solid Waste Collection Services to the Assessed Properties through its Collection Contract. All Assessed Properties receive Residential Solid Waste Collection Services, and therefore are required to receive the City's Residential Solid Waste Collection Services through the City's Collection Contract.

7.4 The special benefit provided to the Assessed Properties as a result of the provision of Residential Solid Waste Collection Services by the City through its Collection Contract, and as a result of the Residential Solid Waste Collection Services Assessment include by way of example and not limitation, the availability and use of Residential Solid Waste Collection Services by the owners and occupants of the Assessed Properties, the enhancement of environmentally responsible use and enjoyment of developed residential properties in the City,

**CITY OF LIGHTHOUSE POINT
FLORIDA**

RESOLUTION NO. 2016 – 2085

the protection of public health and safety, ensuring sanitary collection and disposal of solid waste from residential units in the City, a potential increase in value to property, and better service to landowners and tenants.

7.5 The City's provision of Residential Solid Waste Collection Services through its Collection Contract possesses a logical relationship to the use and enjoyment of the Assessed Properties by:

7.5.1 protecting and potentially increasing the value of the Assessed Properties by providing solid waste services;

7.5.2 enhancing the environmentally responsible use of residential land in the City;

7.5.3 protecting the health of intended occupants in the use and enjoyment of Assessed Properties by ensuring the proper collection and disposal of solid waste from the Assessed Properties;

7.6 Commercial properties, and multi-family residential properties in the City with containerized collection services, are not specially benefited by the City's Residential Solid Waste Collection Services funded by the Residential Solid Waste Collection Special Assessment in that those properties receive volume-based Solid Waste Collection services. Moreover, given the fact that commercial properties, and residential properties with containerized collection services receive Solid Waste Collection Services on a volume basis, it is not possible to determine the exact annual costs that can be apportioned to each property; therefore, it is not possible to ensure that an assessment levied upon these properties can be fairly apportioned. As

**CITY OF LIGHTHOUSE POINT
FLORIDA**

RESOLUTION NO. 2016 – 2085

a result, it is fair and reasonable not to levy a special assessment for the funding of residential Solid Waste Collection services upon those properties.

IMPOSITION AND COLLECTION

7.7 The Residential Solid Waste Collection Services Assessments to be imposed pursuant to this Resolution shall constitute non-ad valorem assessments within the meaning and intent of the Uniform Assessment Collection Act.

7.8 The Residential Solid Waste Collection Services Assessment imposed pursuant to this Resolution is imposed by the City Commission of the City of Lighthouse Point, not the Broward County Board of County Commissioners, Property Appraiser or Tax Collector. Any activity of the Property Appraiser or Tax Collector under the provisions of this Resolution, and pursuant to the City's agreements with such entities, shall be construed as ministerial.

7.9 So long as the Residential Solid Waste Collection Special Assessment is levied, the Assessed Properties will no longer be billed directly by the City for the Residential Solid Waste Collection Services they receive from the City through the Collection Contract.

APPORTIONMENT

7.10 The size or the value of the Residential Property does not determine the scope of the required solid waste services. The potential demand for Residential Solid Waste Collection Services is driven by the existence of a Residential unit.

7.11 Apportioning the Residential Solid Waste Assessed Costs for Residential Solid Waste Collection Services attributable to Assessed Properties on a per Residential unit basis is required to avoid cost inefficiency and unnecessary administration and is a fair and reasonable method.

**CITY OF LIGHTHOUSE POINT
FLORIDA**

RESOLUTION NO. 2016 – 2085

7.12 Because commercial properties, and multi-family residential properties that are containerized collection do not benefit from the provision of Residential Solid Waste Collection Services by the City through the Collection Contract, the Residential Solid Waste Collection Services Assessed Costs are not apportioned to those properties.

7.13 Unoccupied Residential units in the City may not receive residential Solid Waste Collection Services during such time as the Residential unit is unoccupied. The City cannot know which Residential units are unoccupied at the time the assessments are levied. Therefore, it is fair and reasonable to impose the special assessment on all Residential units designated on the Improvement Codes and which are expected to or actually receive Residential Solid Waste Collection Services. Upon payment of the special assessment, should an owner of an Assessed Property provide documentation deemed acceptable to the City verifying that its Residential unit was unoccupied for a portion of the Fiscal Year commencing on October 1, 2016, the City will refund a pro-rated amount of the paid assessment. "Unoccupied" shall mean a minimum continuous period of three (3) months. It is fair and reasonable to impose this minimum period of time in order to balance the City's administrative costs associated with a review of documentation and potential refunding with the fairness to owners of Assessed Residential units, and unoccupied Residential units derive some benefit from the provision of Residential Solid Waste Collection Services to neighboring Residential units, which avoids blight and health and safety issues associated with the accumulation of solid waste in the surrounding areas and neighborhood.

SECTION 8. COST APPORTIONMENT METHODOLOGY. The Collection Contract provides for an annual charge to the Assessed Properties for the Residential Solid

Waste Collection Services provided by the City through its Collection Contract. The Residential Solid Waste Collection Services Assessed Costs include other costs associated with the Residential Solid Waste Collection Special Assessment, which are then allocated to the Assessed Properties in addition to the annual charge in the Collection Contract to determine the Assessment Amount. The Assessment Amount is then multiplied by the number of Residential units on such Tax Parcel. For the Fiscal Year commencing October 1, 2016, the annual charge for Assessed Properties with up to four (4) Residential Units shall be \$394.80 per Residential Unit, and the annual charge for Assessed Properties with five (5) or more Residential Units shall be \$345.00 per Residential Unit.

**SECTION 9. DETERMINATION OF RESIDENTIAL SOLID WASTE
COLLECTION ASSESSED COSTS; ESTABLISHMENT OF ANNUAL RESIDENTIAL
SOLID WASTE COLLECTION ASSESSMENT RATES.**

(A) The Residential Solid Waste Collection Service Assessed Costs to be assessed and apportioned among Assessed Properties pursuant to the Cost Apportionment for the Fiscal Year commencing October 1, 2016, is the amount determined in the manner described in Section 8 above, and within in the Estimated Residential Solid Waste Collection Services Assessment Rate Schedule, attached hereto as Appendix A. The approval of the Estimated Residential Solid Waste Collection Services Assessment Rate Schedule by the adoption of this Initial Assessment Resolution determines the amount of the Residential Solid Waste Collection Services Assessed Costs.

(B) The estimated Residential Solid Waste Collection Services Assessments specified in the Estimated Residential Solid Waste Collection Services Assessment Rate Schedule are hereby

established to fund the Residential Solid Waste Collection Services Assessed Costs determined to be assessed in the Fiscal Year commencing October 1, 2016.

(C) The estimated Residential Solid Waste Collection Services Assessments established in this Initial Assessment Resolution shall be the estimated assessment rates applied by the Assessment Coordinator in the preparation of the updated Residential Solid Waste Collection Services Special Assessment Roll for the Fiscal Year commencing October 1, 2016, as provided in Section 10 of this Initial Assessment Resolution.

SECTION 10. ANNUAL RESIDENTIAL SOLID WASTE COLLECTION SERVICES SPECIAL ASSESSMENT ROLL.

(A) The Assessment Coordinator is hereby directed to prepare, or cause to be prepared, a Residential Solid Waste Collection Services Special Assessment Roll for the Fiscal Year commencing October 1, 2016, in the manner provided in this Initial Assessment Resolution. The Assessment Coordinator shall apportion the estimated Residential Solid Waste Collection Service Assessed Cost to be recovered through Residential Solid Waste Collection Services Assessments in the manner set forth in this Initial Assessment Resolution. A copy of this Initial Assessment Resolution, the Ordinance, and the Residential Solid Waste Collection Services Special Assessment Roll shall be maintained on file in the office of the City Clerk and open to public inspection. The foregoing shall not be construed to require that the Residential Solid Waste Collection Services Special Assessment Roll proposed for the Fiscal Year commencing October 1, 2016 be in printed form if the amount of the Residential Solid Waste Collection Services Assessment for each parcel of property can be determined by the use of a computer terminal available to the public.

**CITY OF LIGHTHOUSE POINT
FLORIDA**

RESOLUTION NO. 2016 – 2085

(B) It is hereby ascertained, determined, and declared that the method of determining the Residential Solid Waste Collection Services Assessments for the City's Residential Solid Waste Collection Services as set forth in this Initial Assessment Resolution is a fair and reasonable method of apportioning the Residential Solid Waste Collection Services Assessed Cost among parcels of Assessed Property located within the City, as the methodology and apportionment assures that no property is assessed an amount greater than the benefit which it receives from the Residential Solid Waste Collection Services provided by the City through its Collection Contract.

SECTION 11. AUTHORIZATION OF PUBLIC HEARING. There is hereby established a public hearing to be held at 6:30 p.m., on September 12, 2016, in City Commission Chambers of Lighthouse Point City Hall, 2200 N.E. 38 Street, City of Lighthouse Point, Florida, at which time the City Commission will receive and consider any comments on the Residential Solid Waste Collection Services Assessment from the public and affected property owners and consider imposing the Residential Solid Waste Collection Services Assessment and collecting such assessments on the same bill as ad valorem taxes.

SECTION 12. NOTICE BY PUBLICATION. The Assessment Coordinator shall publish notice of the public hearing authorized by Section 11 hereof, in the manner and time provided within the Ordinance. The notice shall be published no later than August 23, 2016, in substantially the form attached hereto as Appendix B.

SECTION 13. NOTICE BY MAIL. The Assessment Coordinator shall also ensure timely notice by use of the TRIM notice forwarded annually by the Property Appraiser's Office

to the Owner of each parcel of Assessed Property within the City, at least twenty (20) days prior to the public hearing, as required by the Ordinance, and the Uniform Assessment Collection Act.

SECTION 15. APPLICATION OF ASSESSMENT PROCEEDS. Proceeds derived by the City from the Residential Solid Waste Collection Services Assessments will be utilized for the provision of Residential Solid Waste Collection Services, facilities, and programs by the City, through its Collection Contract, as described herein.

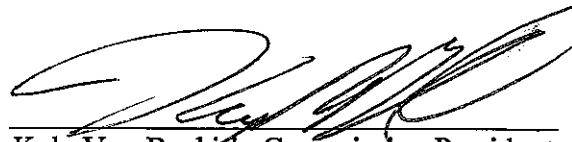

SECTION 16. CONFLICT. All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 17. SEVERABILITY. If any clause, section, other part or application of this Resolution is held by any court of competent jurisdiction to be unconstitutional or invalid, in part or application, it shall not affect the validity of the remaining portions or applications of this Resolution.

SECTION 18. EFFECTIVE DATE. This Initial Assessment Resolution shall take effect immediately upon its passage and adoption.
